REAL ESTATE AGENT PLANNER

Daily Business & Property Planner

AGENT DETAILS

Agent name _____ **Agency name** _____

Contact number _____ **Email address** _____

Primary farming area _____ **Month and year** _____

DAILY BUSINESS PRIORITIES

1. Find potential properties.
2. Connect with potential sellers and landlords.
3. Build relationships with buyers.
4. Complete follow-ups.
5. Grow your property portfolio.

HOW TO USE THIS PLANNER

1. **Plan** each working day on a Daily Planner page the evening before.
2. **Route** your visits on the Address & Route Planner to cut driving time.
3. **Log** every seller, landlord and buyer conversation straight away.
4. **Follow up** on the date you wrote down — the follow-up is where listings are won.
5. **Review** weekly and monthly: keep what produces results, drop what does not.

Daily Working Routine

Daily Working Routine

A rhythm that puts listing activity first

08:00 — **Plan and prepare**
Review the daily schedule, outstanding tasks and address route.

09:00 — **Find potential sellers**
Make calls, respond to enquiries and identify potential listing opportunities.

11:00 — **Work the area**
Visit planned addresses and attend appointments.

13:00 — **Buyers and properties**
Manage property information, buyer requirements and viewings.

15:00 — **Follow-ups and review**
Update records, contact clients, confirm tomorrow's appointments and review the day's results.

These times are examples and can be adjusted to suit your agency and appointments.

MY OWN ROUTINE (ADJUST TO SUIT)

TIME	FOCUS	WHY IT MATTERS

FINAL PURPOSE

This planner is designed to become your everyday real estate business management tool. It connects your address visits, seller leads, buyer requirements, property viewings and follow-ups in one organised system.

The main objective is to help you stay consistent, build relationships, find more potential listings, improve your client service and grow your real estate business.
